NFRW Publishes Fall Magazine

Monday, November 25, 2013

The Fall 2013 edition of the *Republican Woman* magazine is now available to NFRW members in PDF format, and as a virtual flip book. *(Note that we are using a trial version of the flip book software for this publication.)*

This issue of the magazine is devoted to coverage of the NFRW's 37th Biennial Convention, which took place in Louisville, Kentucky, this fall and featured the celebration of the NFRW's 75th Diamond Jubilee. Also in this issue, we introduce two new tools for states and clubs to use in their membership recruitment and public relations/outreach efforts.
